

## Module 4: More Diggin'

This week we zoom out and look at the big data picture. We look at external information to see how NVC fits into the local, state, and national conversation in higher education.

In this module you will find:

1. Highlights from the *Condition of Education*
2. A Review of key information from the THECB. (Gain an understanding of 60x30TX)
3. A way to look at other Texas schools to see how NVC compares.
4. An overview of population characteristics. (Use the menu on the right side of page to drill down into areas of interest)
5. A snapshot of the San Antonio Economic landscape (Scroll down the page or use the tabs at the top to move to specific topics)
6. A Discussion post
7. A Reflection via an external link
8. Review the Information Bank
